April 2008 Table Hopping

April 2008 Table Hopping -From my column in [TASTEBUD Magazine](#)

“Happy Hours – The best gourmet bites in KC!”

If you remember the original Bristol on the Plaza, or frequent their clubby location at Town Center, then you know the type of high quality dining you can expect. Now, visit this hometown favorite in its sexy new location in the Power & Light District and prepare to be blown away. The new restaurant boasts an updated, modern, California canyon house meets Vegas vibe. Visit the gorgeous bar area during Happy Hour on Wednesdays and treat yourself to a fresh 1 lb. lobster with clarified butter and famous cheddar biscuits for around \$12. It is a luxurious meal for a steal; it's also a great conversation starter. **GET HAPPY:** Sunday thru Friday – 4:00 pm to 6:30 pm. Wednesdays only - 1 lb. Lobster at their cost, based on availability.
