

Bristol Seafood Grill is not a gluten-free environment. We have prepared this list of menu options based upon the most current ingredient information we have from our food suppliers and their stated absence of wheat/gluten within these items. Since we prepare food from scratch in our prep kitchen, wheat flours and other wheat-based products are used throughout the day. Due to these circumstances, we are unable to guarantee that any menu offering can be completely free of allergens.

Gluten-Sensitive Options
